

Center for Food, Nutrition, and Agriculture Policy Faculty and Staff Biographies

Maureen L. Storey, PhD

Director

Research Professor

Phone: 301-405-8383

Email: storey@umd.edu

Dr. Maureen Storey is the Director of the Center for Food, Nutrition, and Agriculture Policy (CFNAP). Dr. Storey has been an advisor to the Health and Human Services Secretary Tommy G. Thompson at the 56th World Health Assembly in Geneva, Switzerland and was a member of the Secretary's expert consultation on obesity. She has been an executive at the Kellogg Company, holding leadership positions in nutrition research, business development, nutrition marketing, and communications.

Richard A. Forshee, PhD

Deputy Director & Director of Research

Research Associate Professor

Phone: 301-405-8222

Email: rforshee@umd.edu

Dr. Richard Forshee is the Deputy Director & Director of Research at CFNAP. He is responsible for designing and executing CFNAP's research agenda that focuses on statistical methodology and risk analysis related to nutrition and food safety policy. Dr. Forshee teaches courses on Risk Assessment and Risk Management for the Food and Drug Administration (FDA) and is a special employee for the FDA Center for Biologics Evaluation and Research.

Gary A. Weaver, DVM, PhD, Esq

Director, Program on Agriculture & Animal Health Policy

Research Assistant Professor

Phone: 301-405-8626

Email: gaweaver@umd.edu

Dr. Weaver is CFNAP's Director of the Program on Agriculture & Animal Health Policy. His current areas of interest in animal health policy include transmissible spongiform encephalopathies in food-producing animals and wildlife, animal cloning, food-borne pathogen contamination, and leadership development of international policymakers and regulators. He has been an intelligence officer with the Central Intelligence Agency working biological warfare issues focusing on the former Soviet Union, and he has worked in the office of counter-terrorism in the FDA Office of the Commissioner.

Sanford A. Miller, PhD
Senior Fellow

Phone: 301-405-9470

Email: millersa@umd.edu

Dr. Sanford A. Miller is a Senior Fellow at CFNAP and is Dean Emeritus of the Graduate School of Biomedical Sciences at the University of Texas Health Science Center at San Antonio. He is a former Director of the FDA Center for Food Safety and Applied Nutrition. Dr. Miller has served on many national and international government and professional society advisory committees.

Patricia A. Anderson, MPP
Manager, Special Research Initiatives

Phone: 301-405-8003

Email: panders4@umd.edu

Ms. Patricia Anderson is the Manager of Special Research Initiatives. She is responsible for managing CFNAP's various research projects that focus on statistical methodology and risk analysis. She holds a Masters in Public Policy from Georgetown University and a B.S. in Biology from Princeton University.

Gayle L. Hein, BS
Manager, Nutrition Research Initiatives

Phone: 301-405-8458

Email : ghein@umd.edu

Ms. Gayle Hein is the Manager of Nutrition Research Initiatives. She is responsible for performing detailed reviews and technical edits to CFNAP's documents prior to submission to peer-reviewed journals and for responding to additional technical edits requested by journal editors. Ms. Hein received her B.S. in Dietetics from Southeast Missouri State University.
