PROGRAM ON AGRICULTURE AND ANIMAL HEALTH POLICY

Program on Agriculture and Animal Health Policy

Dr. Gary Weaver

For research, consultation, and conferencing, on a wide range of science issues, including pet food safety.

Gary A. Weaver, DVM, PhD, Esq.

Dr. Gary A. Weaver is Director of the Program on Agriculture and Animal Health Policy, Center for Food, Nutrition, and Agriculture Policy (CFNAP), University of Maryland–College Park. His current interests in animal health policy include transmissible spongiform encephalopathies, animal cloning, and food safety issues, such as foodborne pathogen contamination.

Dr. Weaver brings a wealth of professional experience, education, specialized training, and perspective to CFNAP. He is an expert in bioterrorism and counter-terrorism having worked those issues at the Central Intelligence Agency and the Food and Drug Administration. He provides consulting services on animal health issues and has been a practicing veterinarian and attorney, veterinary diagnostic pathologist, and researcher. Dr. Weaver holds a Ph.D. in veterinary pathology from the University of Minnesota, a D.V.M. from the University of Illinois, and a J.D. *cum laude* from The Thomas M. Cooley Law School in Lansing Michigan.
